freight forwarder brief overview

Air Shipment

We are IATA approved cargo agent and also registered with Brazilian Authority – ANAC. We offer both domestic and international air freight on import and export. We issue AWBs directly with major airline companies so we do not need to coload. We handle regular cargo, live animals, DG, reefer, special and project cargo. Consolidation and deconsolidation at airports. Customs clearance, handling, labeling, pickup and delivery.

Ocean Shipment

We are a NVOCC cargo agent registered with our Brazilian Ministry of Transportation (Marinha Mercante) and also Brazilian Customs at Ports. We handle FCL, LCL, Break Bulk, Ro-Ro, Project Cargo, Charters and Personal effects on both import and export traffic. We issue our own HBL. Close relationship with Shipping Lines and major consolidators so we are able to cover worldwide ports on a regular schedule basis. We offer container haulage, drayage, loading, unloading. Also handle cargo pickup and delivery. We will be able to offer Customs Clearance at Santos Port.

Surface - Inland Transport

Trough a network of associates we can provide inland transportation. Cargo is always moved under insurance policy and also satellite monitored if needed.

Local Pick-Up and Delivery - Airport Transfer - Container Drayage - Packing and Crating - Unpacking and Debris Removal - Pier Deliveries - Consolidation / Breakdown - Convention Shows / Residential Deliveries

Warehouse - Storage

Trough a network of associates we can provide full warehousing services. Bonded warehouse is available for both import and export shipments. Full warehousing services. Short, Medium and Long term Storage. Customs Bonded. Repacking: pallet, shrink wrap. Crating (custom made and standard). Container loading / unloading. Dangerous Goods. Safe and secured storage.

Customs Broker

We offer Customs Clearance and cargo inspection at Port of Santos and Guarulhos (GRU) and Viracopos (VCP) airports. We provide clients support on all phases of Customs Clearance, and all required documentation interfacing with Customs House and other required Brazilian Government agencies. Our services cover both export and import, fully complying with all requirements according our local regulations.

Trade - Import & Export

We have our own government approved import & export license (Radar/Siscomex). We deal on import and export trading to manufacturers, distributors and exporters interested in increasing their sales overseas, as well as to importers searching for specific products. We can act as authorized import / export agent, searching and promoting product, securing domestic and foreign buyers to achieve volume sales. We handle foreign trade transactions including inquiries, orders, documentation, finance, payments, logistics, customs clearance, forwarding and shipping of the goods.
